## Pawsitive Partners:

**Monthly donors – or what we call “Pawsitive Partners” are so incredibly important to the work we do at the WHHS. These amazing**

**folks designate an amount that is automatically donated to the shelter each month. It's very easy to set up, just fill out an online form and you're done! No need to remember to write a check each month, find an envelope, and use a stamp; it will automatically withdraw from your account and go straight to the animals who need help. Whether you can give \$5 or \$50 each month, it truly makes a difference. Every animal up for adoption at WHHS will have as long as it takes to find a loving home and we could never do that without the generosity of the public! Go to our website:**

Many believe that WHHS is affiliated and receives funds from the Humane Society of the United States. This is not the case. ***Therefore to solve a local problem donate locally.*** Thank you for your donation, and interest in our no-kill pet shelter.
