**Big news for the month of May!**

Rainbow Bridge Memorial Garden

WHHS brings hope and happiness to many animals, but we have also endured the loss of many animals. Volunteers helped put together the Mother's Garden outside of our shelter, and through the help of Spearfish High School Shelter Pals, the Rainbow Bridge was added. In 2015, the bridge was rebuilt by Eagle Scout Harrison Merchant of Troop 15. It is now time to launch the Memorial Brick Path to the Rainbow Bridge in honor of family pets who have passed away. The construction will begin in May and to be in the first group of bricks to the pathway of the bridge please order your bricks by May 5<sup>th</sup>. Our goal is the first group will be laid by May 21<sup>st</sup>. To order please go to our website: [westernhillshumanesociety@gmail.com](mailto:westernhillshumanesociety@gmail.com) or the forms are available at our office, City of Spearfish's offices, and your local veterinarian's office.
