Thank you friends of WHHS!

Western Hills Humane Society went home from our 3rd annual Cause for Paws fundraiser with gratitude in our hearts. Many, many friends of the shelter came out to support us at Crow Peak Brewing Company. Businesses all over the Black Hills and many private citizens donated to our live and silent auction. We are humbled but the outpouring of support. This event helps us to continue our mission.

A special shout out to Heath Johnson for donating his vocals, guitar, and his special touch to our live auction and to Crow Peak Brewing Company for letting us take over their facility again this year.

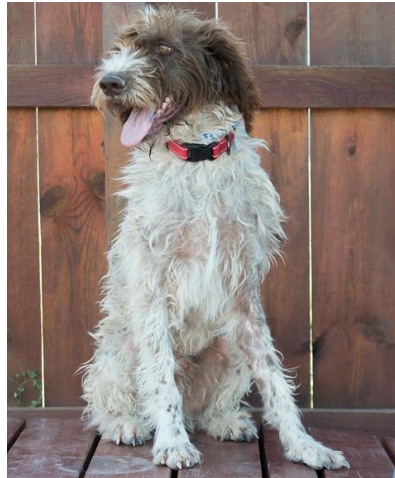

WHHS RECEIVES NEW RESIDENTS

OCTOBER 2016 HAS BEEN A TIRING month for Western Hills Humane Society. On October 1st WHHS began temporary care of the animals at Spirit of the Hills Sanctuary. We were involved with caring for the onsite domesticated animals during the relocation of their exotic animals. Our staff worked overtime with caring for animals at two facilities, and our new residents at our shelter. After our temporary care ended we took ownership of 19 dogs, and 19 cats. All the animals we took in received vaccinations, worming, and many needed additional veterinarian care. We are proud of the work the staff and volunteers did that week. WHHS is committed to the animals in our community. Our new residents are settling in and some are ready for their new furever homes!

Saturday, November 12th is *Adopt A Cat Day!*

All ADULT cats can be adopted for a minimum donation of \$15.00.

All normal adoption policies and procedures will apply.
