## DOG DAYS 2016 SPEARFISH REC AND AQUATICS CENTER

Dog Days 2016 - the biggest year to date for dogs and donations. 240 dogs attended and donations to our pet shelter were over \$2,100!

The night was spent watching dogs being dogs; having a blast running, swimming, and playing.

Thank you Spearfish Rec and Aquatic Center for hosting the best dog pool party in the black hills!

## Gracie

Gracie spent 3 years at Western Hills Humane Society before she was adopted by Elaine Dodson of Spearfish. Gracie came to WHHS with her brother Belly Cat in July 2013. Elaine qualified for our Senior for Senior program, and she is also a Pawsitive Partner donating to our no-kill shelter every month. Rescue matters and we cannot be happier with this special ending for Elaine, and Gracie!

### Want to Volunteer?

The volunteers at WHHS help make the world a more humane place for our animals. We are in need of daily volunteers to help with walking dogs, to socializing animals, office work, and even cleaning. We'd love to have your helping hands and we know the animals would love to see you!
